Gap Year Exploration Month, celebrated annually in October, is a shared initiative by the Gap Year Association for educators, program providers, industry groups, gap year alumni & others who aim to grow awareness of the gap year option.
Let's #explorethegapyear together!
**How You Can Participate**

1. **Share Your Gap Year Story**
   Whether you took your gap year 1 year ago or 25 years ago, we want to hear about it and how it impacted you! Fill out this form and we will add your gap year story to our Voices anthology project on the GYA website.

2. **Submit a video offering gap year advice for our Alumni Video Project**
   Create a short video that inspires/advises future gappers. Your video will be shared on Instagram and TikTok as part of Gap Year Exploration Month alumni video project - one alum story per day all month long! Email outreach@gapyearassociation.org to participate.

3. **Use #explorethegapyear and elevate GYEM in your sphere of influence this October**
   Join us by using the Gap Year Exploration Month hashtag on social media. Share gap year information on any platform you prefer: Instagram, LinkedIn, TikTok, Facebook, Twitter, etc! Find content here.

4. **Become an Amplifier!**

5. **Call to Action: Find Someone to Inspire**
   If you are like most gap year alums, you will take any opportunity to talk about your gap year! Think about someone you know who would benefit from a gap year and reach out to talk to them. Register here if you'd like talking points and materials for that conversation.
Today’s emerging adults are facing unprecedented challenges including rising higher education costs, high rates of anxiety and depression and the fallout of a global pandemic.
